Webster's

Unabridged DICTIONARY.

10,000 Words and Meanings not in other Dictionaries.

3,000 Engravings; 1,840 Pages Quarto. Price, $12.

Viewed as a whole, we are confident that no other living language has a dictionary which so fully and faithfully sets forth its present condition as this last edition of Webster does that of our written and spoken English tongue.—*Harper's Magazine.*

These three books are the sum total of great libraries—*the Bible, Shakspeare, and Webster's Royal Quarto.—Chicago Evening Journal.*

EXTENSIVE ART-GALLERY.—Next to the Bible, no book is more useful than Webster's Dictionary. The Unabridged is *an extensive art-gallery*, containing over three thousand engravings, representing almost every animal, insect, reptile, implement, plant, etc., which we know anything about. It is a vast library, giving information on almost every mentionable subject.—*Household Advocate.*

WEBSTER'S NATIONAL PICTORIAL DICTIONARY.

1040 Pages Octavo. 600 Engravings. Price, $6.

The work is really a *gem of a Dictionary*, just the thing for the million.—*American Educational Monthly.*

THE DELICIOUS FLAVORS,

Strict Purity and Remarkable Strength

—OF—

Colton's Select Flavors

ARE ATTRACTING THE TRADE FROM

First Class Hotels, Ice Cream Saloons,

Families who seek the Best, Confectioners, Bakers, &c., &c.,

WHEREVER INTRODUCED.

They are pronounced, for their rich flavors and the entire satisfaction which they give to lovers of choice flavors, unequaled.—SEE CIRCULARS.

They are the True Rich Flavors of the Fruits,

And their great strength and strict purity will be fully maintained while I prepare them.

J. W. COLTON.

COLTON'S PURE VANILLA EXTRACT

Has proved a great ***favorite*** wherever introduced, ***Saratoga Springs, Newport,*** the ***White Mountains,*** and many places of ***Summer Resort,*** and many ***cities*** and ***large places,*** and wherever the choicest and best are sought. (The same of all ***Colton's Select Flavors.***) The odor from the bottle is not as rank as from the ordinary Vanilla Extracts (which are made in part, or entirely, from cheap substitutes for Vanilla Bean, quite unlike it;) but this ***pure, delicious*** and ***favorite flavor*** of ***Vanilla*** Bean will flavor more, and to the satisfaction of all who love and appreciate the true rich ***Vanilla Extract.***

Museum.

Curators—R. B. Hildreth, C. A. Emery, C. W. Bennett, J. A. Allen, and Solomon Stebbins.

This institution originated in 1860 with the Library Association, and two rooms were assigned to it in the City Hall, which have been fitted up with appropriate shelves and cases, and now contain about 1,500 species and upwards of 3,600 specimens of shells, classified by Dr. George A. Otis, recently Surgeon of the 27th Massachusetts Regiment; also 7,407 specimens of insects, 481 specimens of stuffed birds; 104 stuffed quadrupeds, including two enormous wildcats, killed in this country; 115 species of fish and reptiles; small cabinets of coral and crustacea; an extensive mineralogical cabinet; a large and very curious collection of fossils; numerous Indian and foreign antiquities, and several flags and various other trophies captured from the Southern rebels by our home troops. Additions are frequently made by the generosity of our citziens, and our Museum is in quite a flourishing state for so young an institution. The Museum is open and admission free to the public on Saturday evenings. At other times a permit from the Librarian or one of the curators is requisite for admission. Donations for the Library or Museum may be left with the Librarian.

PLACES WORTHY OF NOTICE FROM STRANGERS.

THE CITY HALL, fronting Court Square, erected at an expense of $100,000, ranks among the finest buildings in New England. It has an audience room capable of holding 3,000 persons, and accommodations for all city officers, Police Court, City Library, and City Museum.

THE CEMETERY—In the south-easterly part of the city, has its main entrance fram Maple street, near its junction with Central street, with an entrance for carriages also from Pine street, and for people on foot from Mulberry and from Union Streets. It has great natural advantages of location and scenery, combining a fine variety of hill and dale, and is constantly being beautified and adorned by the hand of art.

THE UNITED STATES ARMORY, which was greatly enlarged and improved during the war, and employed at one time over 3000 men, has done but little for some time past, but business is now growing lively again. Work on the new breech-loaders is being pushed ahead, and the number of workmen has been increased to 500. The new gun is a beauty both in execution and appearance. The cartridge used contains 70 grains of powder and 450 grains of lead.

HAMPDEN PARK—Inaugurated September 29, 1857. Purchased and improved by the Hampden County Agricultural Society at a cost of $31,600, for an exhibition ground; "the finest and most convenient location the Society could have fixed upon, and unsurpassed for beauty and fitness by any lot devoted to a similar purpose, in the world."
